

# Call for Artists to Exhibit in 2018 at the Clayton Center

Clayton Visual Arts, Inc., seeks artists for the 2018 monthly exhibit season, which begins in February at The Clayton Center in Clayton, N.C. We exhibit original artwork in any 2-dimensional media.

Interested artists or artist-groups are invited to apply for a show by sending a resume, a portfolio of 4-6 images and a non-refundable application fee of \$10 to the Exhibits Committee. Submissions may be photographs, preferably submitted in .jpg format by email, .jpps on a CD, or images on a specified website. The images must be representative of the type of work the artist plans to exhibit. Each image should show a single piece of art with minimal background.

Complete the information on the entry form below and submit by:

Applicants may use PayPal for the entry fee.

All items (resume, portfolio of images, application, and fee) must reach the committee no later than 5 p.m. Monday, October 30, 2017.

In order to have a good variety of exhibitors, we ask that artists skip two years between exhibits. This means that if you had a show with us in 2016, please wait until autumn of 2018 (next year) to apply for a show in 2019. If your show was in 2017, please wait until 2019 to apply for 2020.

The non-refundable application fee of \$10 must be received with the entry by the Exhibits Committee before the entry will be considered. Make checks/money orders payable to: Clayton Visual Arts, Inc. Please do not send cash. Selected applicants will be provided a contract detailing terms and conditions for exhibiting at the Clayton Center. A \$35.00 exhibit fee (\$25.00 for CVA members) is due at the time of execution of the contract. Successful applicants will be notified in early December 2017.

Exhibits usually consist of 30 -40 total pieces and are scheduled by calendar months. Shows may be 1 person, 2 persons or more and the number of pieces for each artist will be determined by the Exhibits Committee. The shows hang in the main lobby of The Clayton Center, 111 E. Second St., and are free and open to the public daily during business hours. Clayton Visual Arts, Inc., founded in 1999, has staged art exhibitions at The Clayton Center since 2004.

Sincerely,
